Giving Tuesday

'Tis the season to give a little! When making your holiday donations please consider a donation to #BethelGives. The YK Delta Lifesavers Fund is a #BethelGives partner organization that tirelessly fundraised to help build the YK Fitness Center and continues to fundraise to support programs, camps, swim passes, and most importantly swim lessons. Alaska has some of the highest drowning rates in the country, swim lessons and pool programs are two of our strongest tools against accidental drownings. By supporting #BethelGives you're helping our children learn to be comfortable and confident in the water and helping them stay safe.
