Covid-19 Policies

Due to increased cases of Covid-19 in the YK Delta region our current Covid-19 policies and guidelines require all patrons to wear a designated face mask unless swimming or showering, this includes wearing a face mask when in the spa, on the pool deck, and in the locker rooms. Everyone should practice social distancing and remain at least six feet from other patrons and groups. Non-vaccinated adults and children should remain in their reserved swimming zone and continue social distancing from other groups while in the pool.

Non-vaccinated patrons who have travelled within the past 10 days are prohibited from using the facility. We appreciate your patience as we navigate this complex and ever changing situation. For our full Covid-19 policy please visit our website.

Unsure if you're eligible to use the facilty? Take our eligibility <u>questionnaire</u>.
