Expansion Survey

The survey for the future of the YK Fitness Center is available until August 31. Help us understand how you use the facility. If you don't regularly use the facility, help us understand why. The YK Fitness Center is a place for all community members and we want to offer the services you want most.

The survey should take about 10 minutes and can be completed on a computer or mobile device. All completed surveys will be entered to win one of five prizes.
