Current Covid-19 Policies

We're just as excited for the holidays and to have some loved ones visiting as you are and wanted to remind everyone what our current covid-19 policies are. Face masks are required for all patrons over 2 years old unless swimming in the pool or showering. This means face masks must be worn in the locker rooms, on the pool deck, and in the spa. Contact tracing is still in place and takes a few minutes so please arrive a little earlier than you normally would. Those who have traveled outside of Bethel must wait 10 days to be eligible to use the facility, fully vaccinated travelers are exempt from the travel policy. Reserved zones are available for non-vaccinated swimmers, reservations can be made over the phone or at the front desk. The full policy is available on our [website](#). We look forward to *safely* seeing you and your loved ones at the YK Fitness Center!

Cookie Extravaganza

Thank you to everyone who purchased a cookie box from the Christmas Cookie Extravaganza! Every purchase helps support the YK Delta Lifesavers and their mission to fund swimming lessons, aquatic programs, and access to the swimming pool!

We would also like to extend a thank you to everyone who baked, boxed, and sold cookies. It couldn't be done without your hard work!
